Summary

I am a seasoned mobile application developer with over 1.5 years of experience in Flutter Android development. My expertise in Flutter enables me to create intuitive user interfaces, complex animations, and seamless interactions that enhance the overall user experience.

Beyond Flutter Android development, I am a versatile full-stack developer, proficient in **AWS**, **Python**, **C#**, **MySQL**, and **Firebase**. This comprehensive skill set makes me an invaluable asset to any team looking to innovate and deliver engaging mobile applications.
